### **Town of Centreville's Spray Field Tour Postponed**

May 27, 2005- The tour of Centreville's spray field scheduled for Tuesday, May 31, 2005 has been postponed. The tour had originally been scheduled to provide Queen Anne's County Commissioners an opportunity to visit the spray field and understand issues related to its operation.

A number of elected officials and concerned citizens had the opportunity to visit the facility as part of Congressman Wayne Gilchrest's recent meeting on site with Town officials. Town Council members and town staff were able to describe issues of concern about the spray field and the steps planned or underway to address these issues.

The public tour of the facility will be rescheduled to demonstrate the progress the Town has made in addressing operational issues encountered during start up of the spray operations.
